Logan County

No report provided

LHU Administrator: Judy Houston

Madison County

LHU Administrator: Shana Villines

Drug Prevention:

Fair booth at our local county fair on the dangers of prescription drugs. We also advertised our Rx drop off box.

Donated water bottles to the Huntsville cheerleaders with our prevention message on them. They were tossed to the students at the football game.

Quality of Life workgroup is meeting monthly in hopes of attaining an Activities Complex for you community and youth.

Project Coordinator attended Huntsville School's coordinated school health committee to assist with their wellness plan.

Alcohol:

Printed the media guides for the booster club with prevention message included.

Had an alcohol prevention banner at the football stadium and we also renewed two billboards in town.

CANCER: Received \$500 grant from the Men's Giving Circle. This money was used to purchase tires and an oil change for one of our breast cancer clients who did not have tires to get to and from her MD appts. Had educational booth at the Northwest AR school nurse conference.

CAR SEAT SAFETY: Installed three car seats. The parents were educated on Act 811 and the dangers of secondhand smoke.

We applied for a Walker Grant. If funded, we will purchase car seats for our car seat safety day.

CHILD/SCHOOL HEALTH: Project Coordinator attended the coordinated school health committee meeting to assist with their wellness plan.

DIABETES: Our extension office is trying to get a diabetes support group in the county.

FAMILY PLANNING: Had educational booth at the Northwest AR school nurse conference. Info was included on local health unit family planning services.

IMMUNIZATION: Had educational booth at the Northwest AR school nurse conference. Info was included on immunizations with an emphasis on HPV vaccine.

INJURY PREVENTION: Attended Safety Baby Shower planning meeting

STD/AIDS/HIV: Had educational booth at the Northwest AR school nurse conference

TEEN PREGNANCY: Project FOCUS continues to work with all the pregnant teens in our county

TOBACCO/SMOKING CESSATION: Rusty Johnson, AR Game and Fish, was nominated by our Project Coordinator for the Trail Blazer award from the Coalition for Tobacco Free AR. He won. Rusty volunteers his time to our coalition to partner with our coordinator to install car seats to people in need in the county. The car seats are donated by our community. Rusty is a certified installer. Every parent that receives a car seat is educated on Act 811 and the dangers of second hand smoke.

Project Coordinator partnered with our WIC nutrition staff and educated SNE class participants on Act 811 and the increase risk of SIDS with secondhand smoke.

Had educational booth at the Northwest AR school nurse conference. Info was included on tobacco prevention.

OTHERS: We had our annual Dine and Shine fundraiser. We raised over \$2,000. This year the monies will be used to host a Safety Baby Shower for our county

ANY SURVEY (CAHS, CYHS, COUNTY HEALTH RANKINGS, YOUTH TOBACCO SURVEY, ETC.): Gathering surveys on health and wellness opportunities in the county. The coalition is involved with the city and quality of life workgroup – economic development in hopes of building an activities complex.

DISPENSING EXERCISE: LEPC meeting 8/2/11

SPONSORED TRAINING FOR COMMUNITY/COALITION: 8/24/11 Prevention Coalition meeting-Emergency preparedness 101 presented by Sara Daniel.

OTHERS: OMHN BOARD MEETING 8/5/11; Community Center planning group 8/26/11; 8/31/11 Extension office planning meeting. (see below)

Was invited to meet with Family Consumer Sciences subcommittee to assist in planning their goals and priorities this coming year. The priorities are as follows:

- 1) Food safety/food preparation and planning meals on a budget; Simple healthy cooking/recipe makeover.
- 2) Improve medication literacy of adults
- 3) Decreasing risk of lifestyle related chronic disease among adults
- 4) Etiquette/manners with our youth

Began discussing the above education classes and an idea was shared to offer a Taste of Searcy Co. event and invite local restaurants in the county. Shared that the health and safety fair would be a good venue to offer such an event. Home extension clubs agreed that they would plan this event to coincide with our health fair at the community center. They would invite local food businesses, decorate and possibly sell tickets to the event. Would also use it as an opportunity to do a membership drive for the extension club. It was a very successful meeting.

MEETINGS:

- 8/3/11 Nursing/clerical relations-Presented by Pat Purifoy
- 8/16/11 Time training with D. Higgs

MEDIA:

- 8/19/11 ACT 811-Picture and article. Had 15 community members, officials and school administration for picture with pledge.

August Cumulus Radio Campaign for Text Pledge

ENVIRONMENTAL HEALTH: A Food Safety Presentation presented by the EHS staff to Union Christian Academy School. (Outreach form completed)

INJURY PREVENTION, NUTRITION, BREASTFEEDING: Safety Baby Shower/Breastfeeding Celebration 08/05/11
The Safety Baby Shower invitation list came from our maternity client caseload. Invitations with RSVP sent out to clients.

A room was decorated with the baby shower theme. The door was decorated with a breastfeeding theme. Gifts were wrapped and given to each participant. Bags were given to each participant with information regarding all topics discussed during the education session. There were games and nutritious food served during the shower. All clients loved it. After the education session was over, a tour was given and doors opened to the newly renovated room for breastfeeding moms and those wishing to have a quiet place to pump.

Educational Session:

- Ashley Riley talked about nutrition during Pregnancy and during BF. She also talked about breastfeeding help services offered by the health dept, such as pumps, hands on training, and BF classes.
- Stephanie Underwood talked about the BF classes and Support groups that she organizes once a month. She also gave her contact info for those interested in BF and needed extra help.
- Ivonne Valle spoke about baby and car safety, the new smoking law, Immunization text line, and safety items provided in their goody bags, such as the water thermometer, fever reader, and the outlet plugs.
- Some shared the advantages Breastfeeding had for us and our children, including the expectant mothers! And the ladies (expectant mothers) had the opportunity to ask Ashley and Stephanie questions they had about BF. (Outreach form completed)
- Drug Free Coalition hosted a Fort Smith Housing Authority Tenant Appreciation Fair. 150 Pledges were obtained to not provide to minors. (No outreach form completed)

STD/AIDS/HIV: Two presentations/classes to Fort Smith School of Massage, Harbor House and Gateway House. 31 Rapid HIV test and 4 blood draws for syphilis testing were completed. (Outreach forms completed)

TOBACCO/SMOKING CESSATION: MoJo's Dueling Piano Bar went smoke free voluntarily. DFC will be planning an appreciation in the Southwest Times Record Newspaper for taking such a huge step in protecting the health of their employees and patrons. (No outreach form completed)

Gerber Products Employee Health Fair: we participated by staffing a booth offering education and information, hand outs, SOS, etc. to employees of Gerber Products during 2 shifts 10-2 and 3-6. Gerber Products Company went smoke free on August 1, 2011. Other vendors that partnered for the event were Blue and You and Jenny Craig Weight Loss System. (Outreach form completed)

YOUTH OUTREACH: Friday, August 12, City of Refuge "Back to Basics Giveaway: shoes, socks, laundry detergent, personal hygiene products, school supplies, groceries, care packs and hair cuts. Many families face the new school year with anxiety stemming from the burden of stretching the family budget to purchase required supplies. Hundreds of children wake up with holes in shoes, squeezing their feet into sizes that are too small and suffering. In efforts to provide help, City of Refuge Ministries and Samaritan's Feet are uniting to prepare students materially, physically and spiritually for school. Approximately 240 children registered representing 137 families and an additional 100 children were on waiting list hoping additional funds would be added for additional supplies. (No outreach form completed)

Drug Free Coalition hosted a Fort Smith Housing Authority Tenant Appreciation Fair. 150 Pledges were obtained to not provide to minors. (No outreach form completed)

WORKSITE WELLNESS: HHI coalition members have presented at the board meeting for the Chamber of Commerce and have been invited to partner with the Chamber.

The Wellness Committee, under the Chamber of Commerce Health Care Division, is compiling a listing of area company sponsored programs to share with the entire Fort Smith Chamber Membership. The listing of employer wellness programs will be made available on the internet and in print format. Surveys are being completed at this time and the Sebastian County Health Unit have been invited to present at the Chamber breakfast coming soon.

COMMUNITY FLU CLINIC: Have been scheduled for Tuesday, October 25, from 8am-6pm located at Kay Rodgers Park in the Expo Center. This clinic will be a walk in clinic.

SCHOOL FLU CLINIC: Have been scheduled starting October 11 through November 2. Three clinic for the larger schools, Greenwood and Fort Smith, will be held in the evening from 5pm to 8 pm
